

OHMSTEDE LTD.

ANNOUNCES WILLIAM A. SCHMIDT/ENGINEERED RESIN SOLUTIONS AS EXCLUSIVE SALES REPRESENTATIVE

Beaumont Texas, August 13, 2013 – Bill Reid, the CEO/President of Ohmstede LTD., has named William A. Schmidt and Sons/Engineered Resin Solutions (Schmidt/ERS) as its Exclusive Sales Representative of its extensive shell and tube product line for the North Eastern United States.

About Ohmstede LTD.

Ohmstede LTD., a 106 year old company, headquartered in Beaumont, Texas with seven (7) North American fabrication shops and is a world market leader in:

- Shell and Tube Heat Exchanger Fabrication
- Shell and Tube Heat Exchanger Repair and Maintenance

In addition, Ohmstede has a state of the art hydro blast cleaning facility in LaPorte, Texas and the industry's most advanced thermal bake out oven for bundle cleaning.

About William A. Schmidt/Engineered Resin Solutions

William A. Schmidt and Sons is 60+ year old fabrication/machine shop that specializes in the power generation, refinery, chemical and chocolate markets in the Northeastern US.

Engineered Resin Solutions is the #1 marketer and provider of specialty coating solutions in the Northeastern US, specializing in the refinery, chemical and power generation markets.

Ohmstede

Byrne Chiarlone Limited Partnership purchased William A. Schmidt and Sons in 2008, and then acquired Engineered Resin Solutions in 2010. The two companies have combined to become the market leader in the Northeastern USA refinery market in specialty heat exchanger fabrication/coating solutions.
